WORK EXPERIENCE

LERMA/ Advertising

Sr. Manager, Business Intelligence

Dec 2025 - Present

- Own end-to-end development of analytics products used by stakeholders to drive decisions across marketing and operations
- Built a cross-platform paid media mart in BigQuery, standardizing KPIs and enabling consistent performance analysis
- Translated complex data into actionable insights used to guide budget allocation and campaign strategy
- Replaced Excel workflows with automated reporting in Salesforce Marketing Cloud Intelligence, reducing manual effort ~60%
- Designed resource planning and utilization models used by CFO and Ops leadership to guide capacity and investment decisions

Old Republic Title Insurance

Senior Business Intelligence Analyst

2024

- Built sales analytics dashboards used to evaluate market share, competitive positioning, and growth opportunities
- Modeled transaction and account-level data to identify where to expand, defend, or shift strategy
- Increased dashboard adoption 2x by aligning outputs with how stakeholders make decisions
- Developed a Streamlit-based analytics app enabling self-service exploration of sales and operational data
- Led and mentored BI team members on scalable reporting and data workflows

Everbridge, Inc.

Dashboard Engineer

2025

- Migrated legacy SSRS reports into embedded Looker dashboards backed by reusable LookML semantic models, reducing duplication and improving consistency across analytics applications
- Built reusable metrics and dimensions to improve consistency across analytics applications
- Delivered production dashboards for DoD-facing systems with a focus on clarity and performance

Central Insurance

Business Intelligence Analyst

2022 - 2024

- Built production dashboards and semantic models in Looker to support decision-making across critical systems
- Designed reusable metrics and dimensions to ensure consistency across analytics use cases
- Migrated legacy SSRS reports into scalable, maintainable data products

Previous Roles

- Risk Analyst, DFW Airport (2021–2022)
- Claim Specialist (SIU), State Farm (2018–2021)
